## TRUCKERS ARE ORGANIZING.

Full Report of the Meeting Held in Jacksonville Saturday.

Pursuant to a call issued through the press some ten days ago, about three hundred fruit and truck growers, dealers and shippers, agents, and others directly interested in the development of the industry, met at Jacksonville Saturday to try to form a more compact organization for handling and marketing Texas products, especially those of the orchard and market garden.

At 10 o'clock the meeting was called to order by Mr. N. C. Graggard.

Judge F. B. Guinn was elected chairman of the meeting and C. L. Edmiston secretary. Judge Guinn then outlined the conditions and urged the necessity for a close union of all shippers and growers, as the distribution is now the important question, it having been fully demonstrated that the Texas people know how to grow fruit and vegetables to perfection.

Mr. Leroy Trice, general manager of the I. & G. N. R. R., was then called upon, who after explaining that public speaking was not his business, made a very practical talk, which is printed elsewhere in this paper.

Mr. Trice was followed by Mr. R. C. Fife, A. G. F. A. of the Cotton Belt railroad, who assured the meeting that his company stood ready to assist the people in all legitimate ways to market their crops profitably.

A motion then prevailed to elect a committee of five to select delegates to the trip to California to investigate the California methods of fruit and truck handling.

The following committee was named: L. A. Henry of Tyler, H. H. Smith of Palestine, F. T. Ramsey of Austin, J. F. Davis of Lufkin, and A. G. Adams of Jacksonville.

Adjournment was then taken until 2 p. m. when the committee submitted the following names: T. Segler of Lytle, R. T. Henderson of Longview, C. W. Wood of Swan, L. A. Henry of Tyler, W. Melton of Troupe, J. W. Gurn of Lindale, M. A. Long of Tyler alternate, Wesley Love of C. D. Jarrett of Jacksonville, H. L. Hodges or W. J. Warren of Jacksonville, A. Y. Shoemaker of W. H. Sorey of Jacksonville, E. B. Guinn or S. R. McKee of Rusk, C. T. Burton or T. O. Maxwell of Mt. Selman, H. F. Craddock of Crockett, Jno. N. Daly of Neches, J. F. Nash of Palestine, Jno. F. Ash of Athens, R. D. Collins or J. F. Davis of Lufkin, J. A. Hobson of Hufsmith, R. H. Thompson or J. N. Huff of Henderson, J. A. Purdie of Nacogdoches, H. Stricker of Calvert, J. R. Frainn of Gause, G. S. Cousins of Marlin, W. R. Barber of Center, M. L. Sanders of Waco, J. T. Kahn of Austin, W. H. Dick of Palestine, J. F. Peel of Franklin, M. W. Morris of Jacksonville, Dabney White of Tyler.

The above report, upon motion, was accepted, and in accordance with a suggestion a committee on transportation was appointed, consisting of R. H. Thompson of Anderson, L. A. Henry of Tyler, J. Warner of Jacksonville. A motion prevailed to call a meeting to hear the report of the delegation to California, and Tyler was selected as the place of meeting.

## VOTE FOR A. N. Dexter for Justice of Peace, Precinct No. 1.

At the Second Primary July 30th. He promises prompt and courteous attention to all business if elected, and is in favor of a strict enforcement of the vagrant law.

### A Big Meeting.

Yesterday the big meeting at Broyles' Chapel, conducted by Revs. I. Sellers and U. W. Lunsford, closed with several conversions. A large crowd was there yesterday.

This week Rev. Sellers will conduct a meeting at Brushy Creek, but will be back here for his regular services Sunday.

### A New Car.

Mr. Trice's private car, "Palestine," is out of the shops, practically a new car. The car has been refitted, upholstered, repainted, etc., and is pronounced one of the handsomest private cars in Texas.

The Bargain Store has a half car load of tin fruit cans, for sale cheap.

The delegation will start for California some time about August 10th and expects to be able to make a report about the first week in October. The exact date will be generally advertised by the papers throughout the state.

It was suggested that each county in the state organize and select delegates to the Tyler meeting who shall hear the report of the California committee and carry it back to their home people.

It was the general consensus of opinion that it is absolutely necessary for the growers and shippers of the state to get together and distribute their products through one channel in order to make the industry profitable.

The Jacksonville meeting was harmonious, and it is hoped will be productive of great good.

## Very Enthusiastic.

The Palestine delegation returned from Jacksonville on the 7:30 evening train Saturday evening, and all are enthusiastic over the work in hand by the fruit growers. General Passenger Agent Price said to a Herald man that it was no doubt the beginning of greater things for the truckers of East Texas; that the industry had reached a degree of importance where it was absolutely necessary to employ the very best business methods in handling it. Special Passenger Agent Holder was caught on the fly, and in answer to the reporter's question, said it was good to be there and see the interest manifested by the growers and shippers. He, too, believes it is the beginning of better things for this growing industry.
